Shefford and Sandy Hockey club are one of 30 finalist in the running to win £200k from Permission homes, to help improve our sports facilities/club house at our home ground in Sandy. We are the only hockey club in the running and would love your support so we are asking our hockey family to help us and vote on the below link. The voting is open until 16th March and you can vote once every 24 hours (and from different IP addresses)

Thank you
